## The Conferences

### **SIA Conference 2017**

Always a highly anticipated annual event for the industry, the one-day Conference will be a day full of shared experiences and ideas; a roundtable discussion of issues pertinent to our urban environment.

### **Real Estate Developers' Association of Singapore Building Information Modeling (REDAS BIM) Symposium 2017**

### **Fire Safety Manager (FSM) Briefing 2017**

### **International Facility Management Conference 2017**

iFMC 2017 presents a one-day event to highlight key issues faced by senior executives and higher in the current workplace environment. This is the first conference of its kind for captains of the facility management fields to gather for thought-sharing and strategic discussion.

### **Singapore Architectural Lighting + Design Symposium 2017**

For Lighting Consultants, Interior & Exterior Designers, Facility Managers, Architects and more, SALDC 2017 will engage you in a series of sharing and discussions to present, explore and exchange the optimal practices and emerging concepts of the lighting industry with architecture and design in mind.

### **Security Industry Conference 2017**

Established with the main objective of providing the industry with good market insights so as to better equip Singapore's security professionals with the latest updates on the ever-changing security landscape, SIC 2017 will see a panel of top speakers sharing their know-hows for Security Personnel, Safety Officers and more.

### **Workplace Safety & Health (WSH) Forum 2017**

This half-day forum aims to raise WSH awareness for the built environment specifically among the micro builders and specialist contractors. Professionals of the industry can better understand its roles and obligations under the WSH Act through sharing of updates on WSH regulations.

# 1 Comprehensive Platform, 6 Specialised Exhibitions

## Singapore's most comprehensive exhibition for building industry professionals

The Architecture & Building Services Series 2017 is your preferred platform in Singapore and the region that brings you six established exhibitions covering the spectrum of the building industry.

ABS 2017 incorporates architecture, facility management, LED and lighting solutions, security, fire and disaster management as well as workplace safety under one roof!

At ABS 2017, you can be sure to network with your key buyers from A – I: Architects, Builders, Contractors, Developers, Engineers, Facility Managers, Government Agencies, Housing Development and Interior Designers!

## Key Knowledge Hub

Bolstering the wide array of exhibits, ABS 2017 features seven conferences catering to each sector of the building industry to draw in at least 3,200 quality delegates.

Take this opportunity to stay up to date with industry trends and happenings as an added value to your participation!

## Premium Hospitality Package - It's all about your buyers!
