# Turkey's Rapidly Growing Civil Aviation Industry Reaches a Peak with the **EURASIA AIRSHOW!**

**EURASIA**  
AIRSHOW | 03

EURASIA  
AIRSHOW  
**2018**

**E**urasia Airshow will take place in Antalya on April 25-28, 2018, bringing together the decision-makers of the global aerospace industry!

Antalya International Airport will offer a total area of 300,000 square meters, of which 50,000 square meters will be designated as indoor space. There will be also 65 business chalets and static/display exhibition area for more than 100 aircraft. The Eurasia Airshow aims to attract over 100,000 professional visitors from over 100 countries with more than 500 international exhibitors and 150 military and civilian delegations.

Eurasia Airshow will be held at Antalya International Airport, one of Turkey's top three busiest airports. The area and its sufficient infrastructure ensure a top-level exhibition of flight capabilities.

# WHY EURASIA AIRSHOW?

One of the fastest-growing markets in the global aviation industry, Turkey once again takes advantage of its location as a bridge between Asia and Europe! Turkish aviation industry has grown exponentially since the early 2000s and will reach a new peak with the Eurasia Airshow in Antalya. The Eurasia Airshow in Antalya, one of Turkey's top tourist destinations, will showcase Turkey's role in the global aviation industry.

# EURASIA AIRSHOW, Turkey's airshow

- Bring participants together with the decision-makers of the global aerospace industry.
- Provide B2B meeting opportunities.
- Generate a business volume worth billions of dollars.
- Will meet your products or services to the right people in the right place.
- Present your brand alongside the global giants.
- Enable you to catch up with industry trends and be the first to pinpoint new business opportunities.

## WHY ANTALYA?

**A**ntalya is an easily accessible and well-known destination for almost anyone in the world. Moreover, Antalya's entertainment venues, shopping centers, many hotels, fast-moving traffic, favorable weather conditions, and easy access make it a very attractive destination.

**ANTALYA** meets all  
the criteria for such  
an international  
aviation event!

**A**ntalya International Airport area and its sufficient infrastructure ensure a top-level exhibition of flight capabilities. Antalya is selected because it meets all the criteria for such an international aviation event; Technical and operational infrastructure, military aircraft technical requirements, ground handling services, entertainment and shopping facilities, accommodation capacity, accessibility, and favorable weather conditions.

The recent G20 Summit Organization received highly positive feedback from all the participants, demonstrating Antalya's suitability as a host for international organizations once again!
